

AF3 Phoenix - Change Request #3480

Update simulated values when running test simulation

07/31/2018 11:25 AM - Anonymous

Status:	Rejected	Start date:	07/31/2018
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:	Backlog		
Description			
Currently, the user has to select "update simulated values" before selecting "simulate test suite" from the context menu. This should be transparent for the user.			

History

#1 - 07/31/2018 01:02 PM - Alexander Diewald

As a side note that might be relevant for resolving the issue:

While testing [#3479](#), I noticed that the "update" did not have an effect when the simulation was started already once in the running AF3 instance (for the same test suite).

To reproduce, start the simulator using the instructions in [#3479](#), update the values (modeling perspective), and start the simulation again. In step 5, the "Fail" label is not shown, which is wrong.

#2 - 05/13/2019 02:11 PM - Johannes Eder

- Target version changed from AF3 2.14 Release to Backlog

#3 - 12/09/2019 10:10 AM - Anonymous

- Assignee changed from Anonymous to Johannes Eder

testing plugin has been removed.

Please reject

#4 - 12/10/2019 12:01 PM - Johannes Eder

- Status changed from New to Rejected

- Assignee deleted (Johannes Eder)
